VICTORIAN NOTICE TO MARINERS

The following Notice to Mariners is published for general information.

GEELONG, 24 JANUARY 2018

AUSTRALIA – VICTORIA

036 - 2018

PORT OF GEELONG

COMPLETION OF CHANNEL SAFETY IMPROVEMENT WORKS

Date: Effective from January 28, 2018 to approximately February 02, 2018.

Previous : Previous NTM 006-2018 refers.

Details: As part of the completion process of the Channel Safety Improvement works initiated in November 2017, the tug “EDI” will continue to conduct sweeping operations during daylight hours within the port of Geelong between the above dates. The areas which will be swept include areas in the vicinity of Buoy No 5 in the Corio Channel and various spots at the edges of Hopetoun and Wilson Spit Channels. Mariners are requested vide this Notice to be cognisant of the restricted manoeuvring ability of the “EDI” as she conducts her sweeping operations and to keep well clear at low speed when passing. The “EDI” will be keeping a continuous VHF Watch on Channel 12 and displaying the appropriate International daylight signals and marks.

The Duty Marine Controller may be contacted on VHF Channel 12 or on 03 52470300 at all times for information regarding this Notice. Non-commercial mariners and recreational craft are also reminded of their safety obligations and are requested not to navigate within 200 meters of the sweeper tug “EDI” conducting the above operations.
