Conditions of use of channels

The use of the channels in the Hastings port waters and the services associated with the provision of safe marine services are subject to the conditions provided in the Port of Hastings – Port Operating Handbook and Harbour Master’s Directions that are issued by VRCA and revised from time to time as appropriate.

Payment of invoices for channel and excess draught charges is due within 30 days of issue. **Under the Port Management Act 1995, Section 79 (1) VRCA has the right to charge interest on any overdue account.**

Channel services

Channel charges are levied for access to the channels in the port waters of Hastings and for services associated with the maintenance of declared channel depths, navigation aids and provision of marine control services.

VRCA has a substantive role in the implementation and coordination of the whole of port emergency management, port safety and security and environmental risks.
