

# Victorian Notice to Mariners

Melbourne, 11 May 2010

The following Notice to Mariners is published for general information.

**AUSTRALIA – VICTORIA – POINT HICKS**

**NTM NO. 047(T)**

**LOCATION: POINT HICKS - VICTORIA**

**ITEM: ALTERED LIGHT – POINT HICKS LIGHTHOUSE**

**Date: WITH IMMEDIATE EFFECT**

**Details: Point Hicks,**

To celebrate the 120th anniversary of the opening of the Point Hicks lighthouse the old light will operate for 2 nights, Friday and Saturday May 14th and 15<sup>th</sup> 2010, replacing the current solar light. This will result in a more intense beam of light than normal, and one which will be visible further out to sea.

HISTORIC LIGHTHOUSE TO BE LIT FROM SUNSET FRIDAY 14 MAY 2010 TO SUNRISE 16 MAY 2010 IN PLACE OF EXISTING LIGHT. CHARACTER UNCHANGED

**Charts and publications affected:**

AUS 357A          AUS 805

Australia Pilot. Volume II NP14, 2007 Point Hicks to Cape Howe.

Admiralty List Of Lights and Fog Signals. Vol K NP 83 (K2556)

**Further notice:**

No further notice will be issued.
