Obstruction
this side

Maintenance dredging works will be carried out within the entrance to the Boat Harbour, with dredge spoil disposal to a sand bank approximately 500m north east of the harbour. The disposal site is marked with white marker buoys.

Dredging works will be carried out by Slurry Systems Marine using a Cutter Suction Dredge. All on water plant, equipment or potential hazards to navigation will be marked with flashing yellow hazard lights from sunset to sunrise.

All Vessels Operators are advised to proceed at a safe speed and observe the day marks displayed on the dredge.

All vessel operators are requested to pass on the side displaying two diamonds or await instructions before passing on the side displaying two black balls.

Charts Affected: AUS 143, 155

Further Notice: This Notice is self cancelling

If you require any further information please contact Hobsons Bay City Council on 9932-1000. The contractor, Slurry Systems Marine, can be contracted on site on 0437-124-385.

VIN WRIGHT
