

Victorian Notice to Mariners

Melbourne, 3 November 2010

The following Notice to Mariners is published for general information.

AUSTRALIA – VICTORIA

NTM NO. 115(T)

Location: VICTORIA – WEST COAST – WARRNAMBOOL

Item: MARINE SEISMIC SURVEY

Date: WITH IMMEDIATE EFFECT

Details:

Origin Energy wishes to advise recreational and commercial boat operators of a marine seismic survey off the coast of Victoria (South East of Warrnambool) within the waters bounded by the points detailed in Table 1. The survey is scheduled to commence on 3 November 2010 continuing until 15 December 2010.

Mariners in the vicinity of seismic operations are kindly requested to move out of the path of the survey vessel, as the vessel is required to operate along pre-determined transects (seismic lines).

Table 1

Latitude	Longitude
38° 30.709'S	142° 42.159'E
