

VICTORIAN NOTICE TO MARINERS

The following Notice to Mariners is published for general information.

MELBOURNE, 28 APRIL 2011

AUSTRALIA – VICTORIA

No. 062(T) 2011

WESTERN PORT

EASTERN ENTRANCE SAN REMO - NEWHAVEN

INSTALLATION OF UNDERWATER PIPELINE

Date: Immediate to 30 September 2011

Details: **For information only** - mariners are advised that:

Westernport Water and its contractor COE Drilling Pty Ltd will be constructing an under-channel water main from San Remo to Newhaven during the period above to provide additional independent potable water supply to Phillip Island.

The works are located at approximately: 38° 31.116 S, 145° 21.797 E (WGS84).

Project activities will all be carried out on land except for horizontal directional drilling approximately 10m. under the seabed and subsequent installation of the new water main pipeline. There will be no water based work and therefore no impact is expected on the shipping channel, boating activities or any other recreational use of the jetties and bay.

Chart for reference: AUS150

Further Notice: No further notice will be issued

If you require any further information please contact Parks Victoria on 13 1963.
