

Victorian Notice to Mariners

The following Notice to Mariners is published for general information.

Melbourne, 01 November 2012

Australia – Victoria

No. 148T-2012

PORT OF WESTERN PORT

STONY POINT

MAINTENANCE DREDGING OF THE ACCESS CHANNEL TO STONY POINT BOAT RAMP

Date: Immediate to 31 November 2012

Details: Mariners are advised of maintenance dredging works of the access channel to the Stony Point boat ramp, located approximately in between 38°22.483' S, 145°13.546' E (WGS 84) at the outer limit of the channel and 38°22.470' S, 145°13.364' E (WGS 84) towards the boat ramp.

Dredging works will be carried out by cutter suction dredge, with spoil disposal to be pumped through a discharge pipe to a land based purpose area. The floating pipe will be marked by orange floats.

The dredge and pipeline will remain on the north side of the channel at night. During set up and some stages of work, access to the boat ramp might be disturbed.

On-water plant, equipment or potential hazards to navigation will be marked with flashing lights from sunset to sunrise as per IALA standards.

Mariners are advised to exercise caution when navigating within the vicinity the works.

Charts & Publications AUS 150, 151, 152

Affected:

Further Notice: A further Notice will be issued when dredging is completed.

If you require any further information please contact Parks Victoria on 13 1963
