

NOTICE TO MARINERS

GIPPSLAND PORTS

The following Notice to Mariners is published for general information.

DATE: 18/07/2013

AUSTRALIA - VICTORIA

No.103(T)-2013

PORT OF ANDERSON INLET

INVERLOCH JETTY

DEMOLITION AND CONSTRUCTION WORKS

DATE: Effective Immediately.

DETAILS: Mariners and Jetty users are advised that partial demolition and new construction works will be undertaken at the Inverloch Jetty beginning 22nd July 2013 and lasting for approximately twelve weeks. Land based and water borne construction equipment, pile driving works barge and tender vessels will be in use.

One lane of the adjacent boat ramp will be temporarily closed for the period of these works.

Access to the jetty will be restricted and there will be occasions when the jetty will be closed.

Two yellow light buoys will be established in vicinity of the jetty to indicate the south eastern and south western limits of the construction works.

Both light buoys will exhibit the flash characteristic FL.Y 5s.

Mariners are advised to exercise greater caution in this vicinity.
