

NOTICE TO MARINERS

GIPPSLAND PORTS

The following Notice to Mariners is published for general information.

DATE: 23/09/2013

AUSTRALIA - VICTORIA

No. 130(T)/2013

PORT OF ANDERSON INLET

ANDERSON INLET ENTRANCE NAVIGATION WARNING

DATE: Effective Immediately.

PREVIOUS NOTICE: NTM 082(T) is referred and cancelled

DETAILS: Following recent hydrographical survey of the Anderson Inlet Entrance, data indicates that the area of the Bar has shoaled considerably to the extent where no clear channel has been identified and swells are breaking randomly across the Bar region

Accordingly, Mariners are advised that, until further notice, vessel operators should avoid transiting the Anderson Inlet Bar and any vessel making passage through the Bar does so at extreme risk to personal safety.

CHARTS AFFECTED: AUS 801

PUBLICATIONS AFFECTED: NP14 NP38 (Vol K)

FURTHER NOTICE: A further notice will be issued
