

## Victorian Notice to Mariners

The following Notice to Mariners is published for general information.

### AUSTRALIA – VICTORIA No. 040 (Temporary) of 2017 BASS STRAIT OIL AND GAS FIELDS – EAST GIPPSLAND

**Date:** FROM PUBLICATION OF THIS NOTICE

**Details:**

Mariners are advised of multi beam survey and ROV inspections being undertaken on the Bass Strait offshore oil and gas pipelines operated by Esso Australia.

During survey operations the “Outer Limit ” (WACV 06922) will be displaying the lights and shapes required by the Collision Regulations for a vessel “restricted in her ability to manoeuvre.”

Outer Limit will maintain a listening watch on VHF Channel 16.

The works will commence on 2 February 2017 and will continue through to April 30 2017.

Masters of vessels are advised to navigate with caution and to keep clear of the Outer Limit during these operations within an area detailed in Table 1.
