## **BEACON INSTALLATION WORKS AT POINT RICHARDS CHANNEL ENTRANCE**

**Date:** Effective from May 4, 2017

**Refers:** 361(T) - 2016 and is cancelled forthwith.

**Details:** The Point Richards Channel Entrance **Buoy** (refer previous Notice) is being replaced by a Beacon, by our Contractor PW Johnson who will also replace Beacons 1 & 2 in the Point Richards channel. Various watercraft including the Jack up barge JUB2 and support vessels Taree and Taurus will be in attendance at the work site from May 4, 2017 for a period of approximately two weeks depending on weather conditions. All works will be conducted during daylight hours only and the new piles will be illuminated temporarily at night by quick flashing yellow all round 3 mile visibility lights till the original beacon lights are reinstalled. Mariners are advised that support craft Taurus may be contacted on VHF Channel 12 or on Mobile Phone 0419524478 at all times and are requested to pass the work site at a safe reduced speed commensurate with the existing weather conditions. Recreational and other vessels are hereby instructed vide this Notice to exercise extreme caution when proceeding through the vicinity described above to avoid collision/injury especially at night and periods of reduced visibility.
