

NOTICE TO MARINERS

GIPPSLAND PORTS

The following navigation warning is published for general information

AUSTRALIA - VICTORIA

No. 280(T) OF 2017

PORT OF GIPPSLAND LAKES

THE NARROWS SWING BASIN

MAINTENANCE DREDGING OPERATIONS

DATE: 2nd November 2017

PREVIOUS NOTICE: Notice to Mariners No 223(T) of 2017 is referred and cancelled

DETAILS: Mariners are advised that the Cutter Suction Dredge “Kalimna” shall be carrying out maintenance dredging operations in The Narrows Swing Basin adjacent to the entrance to Cunninghame Arm

During the Swing Basin maintenance dredging program the “Kalimna” and associated pipeline and anchor mooring system shall be impeding the western side of The Narrows channel where the pipeline is connected to the Booster Pump Barge moored at the sand transfer riser piles marked by three special mark beacons (Fl.Y3s)

During dredging operations “Kalimna” shall be displaying the lights and day shapes as required by Marine Orders Part 30 and the International Regulations for Preventing Collisions at Sea. The pipeline and anchor mooring buoys are not lit at night. Mariners are advised to pass to the east of “Kalimna”

Mariners are advised to take extra precaution when transiting The Narrows Channel near the “Kalimna” especially at night.

On completion of the Swing Basin area “Kalimna” will be shifting to commence maintenance dredging at the entrance to Hopetoun Channel. A further Notice shall be issued when this occurs

CHART AFFECTED: Aus. 182 Plans in Victoria (South East Coast) – Lakes Entrance
