

Moyne Shire Council

Victorian Notice to Mariners

The following Notice to Mariners is published for general information.

Australia – Victoria

No. 312 (Temporary) of 2017

Port Fairy – Dredging Operations Moyne River

Date: EFFECTIVE IMMEDIATELY

Details: Mariners are advised that maintenance dredging has commenced in an area contained within the sheltered water limits of the training walls of the Port of Port Fairy, from the river mouth to Haldanes Landing (A length of approximately 300 metres).

Dredging is being undertaken between the hours of 7:30 to 4:30pm Monday through Saturday.

Dredging operations are anticipated to conclude on 22 December 2017.

The dredge vessel, MSV 12085 (150mm Cutter suction dredge 11.10 m length, 7.3 m in water) operated by Slurry Systems Marine Pty Ltd is undertaking dredging operations.

Mariners are warned to exercise extreme care when navigating within the Moyne River.
