

Melbourne, 7 February 2018

Australia – Victoria
No. 057 (T) – 2018
PORT MELBOURNE
SHORT ROAD TUG BERTH PROJECT

Date: 07 February 2018

Refer: NTM 200 (T) is hereby cancelled

Details: Mariners are advised that water based construction works for the Short Road Tug Berth has been completed. The yellow special markers delineating the construction area have been permanently discontinued.

Four all round quick flashing yellow lights (Q.Y) have been established to mark the northern and southern extent of the jetties, on the outer most fender and the fender second from the shore (see graphic below).

For more information contact Melbourne VTS on VHF channel 12.

Mariners are advised to exercise caution when navigating in the vicinity of the Short Road Tug Berths.
