

Victorian Notice to Mariners

The following Notice to Mariners is published for general information.

Melbourne, 9 October 2013
Australia – Victoria

No. 134T - 2013

Port of Port Phillip

Entrance to Queenscliff Cut, Queenscliff
Reconstruction of SeaRoad Ferries Terminal Berthing Wharf, Queenscliff - Revised Timeframe

Date: Immediate until 29th November 2013.

Previous Notices: 112(T) – 2013 is referred and cancelled.

Details: Mariners are advised of the *revised* timeframe for reconstruction upgrade works to the SeaRoad Ferries Terminal berthing area at the entrance to the Queenscliff Cut located at approximate position 38°15.878' S, 144°40.302' E (WGS84).

Reconstruction works at the berthing wharf on the North East shore of the ferry terminal include:

- Removal of existing timber wharf
- Driving of new sheet pile wharf
- Driving of new anchor wall
- Installation of new tie backs between sheet pile wharf and anchor wall
- New concrete capping installation
- Back-fill behind wall
- Landscaping and vegetation of land-side area.

Floating plant (including barges and workboat) will be operating during the day and anchored at night. Barges and workboats will be lit from sunset to sunrise to IALA standards.

Mariners are advised to navigate with 5 knot speed limit, commensurate with safe navigation in the vicinity of floating plant and equipment.

If you require any further information on these works please contact KV Johnson Constructions on 0408 330 593.

Charts & Publications

Affected: AUS 143, 158

Further Notice: This Notice is self cancelling. No further Notice will be issued.

If you require any further information please contact Parks Victoria on 13 1963
