

Victorian Notice to Mariners

The following Notice to Mariners is published for general information.

Melbourne, 21 October 2013
Australia – Victoria

No. 139T - 2013

Port of Port Phillip

Kananook Creek, Frankston
Desilting Works within Kananook Creek - Revised Timeframe

Date: Immediate to 2 November 2013

Previous Notices: 110(T) - 2013 is referred and cancelled.

Details: Mariners are advised of an *extension to the original timeframe* for works to desilt the Kananook Creek, located approximately 38°08.765' S 145°06.932' E (WGS84).

Mechanical excavation of silt will occur between the creek entrance and the Wells St bridge, approximately 600 metres upstream.

Mariners are advised that there will be no access to sections of the creek from Monday to Friday during the period to 2 November 2013. Access within the creek will generally not be affected by these works on weekends.

On-water plant, equipment and potential hazards to navigation arising from the works will be marked as per IALA standards.

Charts & Publications

Affected: AUS 143

Further Notice: This Notice is self cancelling. No further Notice will be issued.

If you require any further information on these works please contact South East Water on 1800 456 877.
